Hurrying to get ready for resumption of soft coal mining today, maintenance men of the Castle Shannon Coal Company's mine at Coverdale, Pa., enter the shaft after John L. Lewis called off the coal strike.

### Miners Sullen as Pits Open Again; Lost Pay Mourned by Many

Pittsburgh, Dec. 8—(AP)—The soft coal industry resumed production today after a paralyzing 17-day work stoppage by the United Mine Workers. Badly-needed fuel came from the mines again for the nation's industries and homes.

Reports from the coal fields showed the miners complying with

## Goodfellows from Out of Town Send in Contributions

When a former Dixonite like Charles C. Wild, sends his contribution to the Evening Telegraph Goodfellow fund from away out in Newhall, Calif., it should indicate that the happiness of Dixon kids means a great deal and that the Goodfellow influence really reaches out.

Other Goodfellows in Chicago, Ashton, Franklin Grove, etc., are being heard from. And Dixon Goodfellows are beginning to enlist in the campaign for Christmas cheer for local kids in increasing numbers. It begins to look as though, if the present trend continues, most Dixon youngsters will get some kind of a visit from Santa Claus. Now is the time to join.

## Two Dixon Schools Entered, Ransacked

Police were today investigating two robberies which were reported Sunday morning in which St. Mary's parochial school and the South Central school were entered and ransacked, sometime Saturday night. The first report was received Sunday morning when the janitor at the South Central school discovered that desks had been opened and ransacked.

A glass in a west door leading to the basement had been shattered to gain entrance to the building and another pane was broken on the inside of the building. Desks of members of the teaching staff were pried open and thoroughly ransacked and about \$6.25 was reported to have been taken.

St. Mary's Ransacked

Patrolman Frank Tyne learned of the robbery at St. Mary's parochial school shortly afterward and investigations were conducted at both places. At St. Mary's a north basement window was broken to gain entrance and on the inside, desks were ransacked. A candy vending machine was broken into but no cash was found as the machine had not been in operation for several months. A soft drink vending machine was also broken open and the cash box was emptied, the amount taken not being known.

Police Chief Harry Fischer, who headed the investigation of both robberies today expressed the opinion that the robberies were doubtless the work of a group of boys, adding that in each of the schools the intruders appeared to be thoroughly acquainted with the premises.

## Congress Urged to Ban Strikes Which Cut Nation's Coal Supply

Chicago, Dec. 8—(AP)—Congress has been asked by the Illinois Fuel Merchants association to pass legislation to prevent industry-wide strikes which shut off the nation's coal supply.

The association, composed of retail coal dealers outside the Chicago area, issued a statement Saturday asking for legislation which would embody these ideas:

1. A single contract covering all coal workers should be forbidden.
2. A state should be considered the largest unit covered by any one contract.
3. "When, because of contract negotiations, a strike is called in two or more contiguous and or competing states, the fact of such strikes should be considered prima facie evidence of a conspiracy to restrain trade."
4. It also should be considered prima facie evidence of a con-

## Clifford G. Archer, City Mail Carrier, Takes Life Sunday

### Shoots Self in Temple While Despondent Because of Sickness

Clifford G. Archer, 47, city mail carrier, fired a 32-caliber bullet from a new revolver, which he purchased last Thursday, into his right temple in the basement of his home, 904 Walnut avenue, at 3 o'clock Sunday afternoon. His death took place very shortly afterward and the body was removed to the Jones funeral home where an inquest was conducted by Coroner Frank Nangle at 10 o'clock this morning.

Sheriff Gilbert Finch was the first witness to testify before the jury and stated that he was called about 4 o'clock Sunday afternoon by Charles Dyckman, a brother-in-law, who was spending the day at the Archer residence. Arriving at the home, the sheriff stated, he found a physician present and the

## Nazi Medics May Be Condemned to Death

Nuernberg, Dec. 9—(AP)—Brig. Gen. Telford Taylor demanded today that 22 men and women charged with conducting Nazi medical experiments on live victims be condemned as murderers who poisoned the entire German medical profession under Adolf Hitler.

Gen. Taylor opened the trial of high-ranking Nazi doctors in the same court where Hermann Goering, Joachim Von Ribbentrop and other Nazi ringleaders were sentenced to death last October. All pleaded innocent.

In sharp, bitter tones, the American prosecutor outlined his case to an all-American court and asserted: "The Third Reich died of its own poison." The defendants, he said, contributed to that poisoning.

"The victims of their crimes are numbered in hundreds of thousands," Taylor told the court. "A handful only are still alive; few of the survivors will appear in this courtroom."

The general declared the group operated directly under Heinrich Himmler and the armed forces—and subjected Poles, Russians and Jews to fatal experiments under high altitude conditions, to sub-zero freezing, to poison injections, and to enforced drinking of sea water.

## Hotel Death Count Hits 120 as Probe of Cause is Begun

### Investigation Ordered in Atlanta to Find Any Negligence

Atlanta, Dec. 9—(AP)—The Wincoff Hotel fire death toll climbed to 120 today as multiple investigations were ordered into Saturday's disaster which was the nation's most costly hotel conflagration.

Three names were added to the death list. Mrs. George D. Burch, 20, of Chattanooga, died of injuries suffered when she fell 10 floors to a canvas canopy after an improvised rope of bed linen broke. Her husband, to whom she was married last week, had descended three floors to reach fire ladders.

Two other names which had escaped the Red Cross were recorded. They were Charles (Bill) Berry of Cedartown, Ga., southeastern bowling champion, and Julia Hall of Albany, Ga., a delegate to a youth congress.

City, county and national probes were ordered. They coincided with demands for more stringent safeguards against such tragedies.

To Study Causes

Solicitor General E. E. Andrews arranged conferences with the city

## Post Mortem

Atlanta, Dec. 9—(AP)—Fire Chief C. C. Styron said today that most of the 120 deaths in the Wincoff hotel fire resulted from asphyxiation because smoke and fumes had no way to escape from the building.

Styron said carbon dioxide gas pressure in the corridors and rooms prevented to some extent the spread of flames but took a terrific toll of life by smothering guests in their rooms.

The fire chief said safety vents in the elevator shaft, the staircase and from the halls would have allowed the gas to escape. However, he added, the open passageways would have to be fireproofed to prevent the spread of the flames.

fire marshal, firemen, fire underwriters and grand jury foreman Henry Chandler. He said a Fulton county (Atlanta) grand jury would study Saturday's pre-dawn fire to determine if there had been any criminal negligences. The jury will meet tomorrow.

Mayor William B. Hartsfield called an afternoon meeting of the city council's fire committee to question officials about the nation's most deadly hotel fire. The national fire protection association and the national conference of building officers also planned investigations.

The speed with which the blaze spread has baffled officials although one said open stairwells were a major contributing factor.

City fire chief C. C. Styron, A. C. Hutson, assistant chief engineer of the national board of fire underwriters, and other officials studied the blackened wreckage on busy Peachtree street yesterday. Thousands of sightseers visited the site in the downtown theatrical district to see where many persons perished in frantic plunges from the 15-

## Resigns

OTTO F. GOEKE

Dixonite, who will retire on January 1 from his important post with the state government as District Engineer after 32 years of continuous service with the Illinois Highway Department. ## Labor Scene in US Is Brighter Today

(By The Associated Press)

The nation's labor picture today was the brightest in months.

Most of John L. Lewis' 400,000 AFL United Mine Workers were digging soft coal again after the dramatic ending of their 17 day walkout which threatened collapse of the national economy.

In Rockford, Ill., 900 workmen at the J. I. Case Co., idle for nearly a year, started back to work.

Russell King, president of the CIO United Auto Workers local at the farm equipment plant, said the union agreed to a general 18 cents an hour increase.

Of four case plants struck last Dec. 26, only the dispute at Racine, Wis., was still on.

Boston Plant Starts

The Allis-Chalmers' Boston plant was in production for the first time since April 30 following an agreement reached with the CIO United Electrical Workers.

The CIO United Packinghouse Workers and the Cudahy Packing Company were expected to sign a new work contract in Chicago today. Previously, the union had laid plans for strike action against Cudahy and other major packers.

But the labor picture had some dark spots, including:

Threat of a repetition of the tugboat strike which earlier this year tied up New York's huge harbor traffic.

Closing of all public schools in Pawtucket, R. I., following a strike threat by most of city's 430 teachers.

Plan Demonstration

Milwaukee, Dec. 9—(AP)—A mass picketing demonstration, with representatives of at least six unions taking part, was to be staged late today at the strike-bound Allis-Chalmers Manufacturing Co. in West Allis, regional headquarters of the UAW-CIO announced.

The spokesman declined to esti-

## Gas Flames Cause Canada Hotel Fire

Saskatoon, Sask., Dec. 9—(AP)—Gasoline flames which the fire chief said "moved like a solid wall" swiftly turned the 87-room Barry hotel into an inferno before dawn Sunday, killing 11 persons and injuring 18.

The fire was the worst in Saskatchewan history and the worst in Canada since the Queen's hotel fire in Halifax in 1929 when 28 died.

A can of gasoline, inexplicably placed beside the kitchen range, appeared to have caused the holocaust. Fred Fries, a waiter, said the cook called him to the kitchen where he found the gas range blazing and the can of gasoline shooting flames eight feet high.

Heroes Backfires

Fries grabbed the gasoline can and tried to run into the street with it but bumped into a frightened customer. The can fell and rolled into the hotel lobby. Someone else tried to kick it through the door, but the draft from a large electric fan sent the flames spiraling inward. Fries said within a minute of the last fumble, "all hell broke loose" and the fire was beyond control.

Doctors said they expected one or two of the injured persons to die. The bodies of the 11 dead were so badly charred that it was hours before identification of 10 could be made and one remained unidentified. All were Canadians, including two women, one of them a Negro, and two Chinese.

There were 120 guests in the hotel when the fire broke out and firemen succeeded in carrying dozens to safety. Most of the dead were trapped in their rooms.

## Goeke Leaves Post as Chief Engineer in Highway Office

### No Successor Named to Fill Vacancy; Goeke Lauded for Work

Otto F. Goeke, district engineer for the Illinois Highway Department for District No. 2, has decided to retire and has turned in his resignation as chief of the district to take effect January 1, 1947. His plans for the future are indefinite but Mr. and Mrs. Goeke, who have made their home in Dixon for many years, plan to leave soon after the first of the year for a trip to the southwest and will spend the balance of the winter in Arizona and southern California.

No announcement as to Mr. Goeke's successor has been forthcoming from Springfield as yet.

Mr. Goeke's tenure of office has been distinguished by an especially efficient administration of his important department in the state government's activities of building and maintenance of fine highways and also a prominent part in the civic life of this city.

He was a graduate of the University of Wisconsin in civil engineering. Immediately after graduation he was employed in bridge department of the Great Northern railway on design and detail of bridges and later was employed in bridge department of the Chicago, Milwaukee, St. Paul & Pacific railway, and worked a year and a half with the American Bridge Company.

In December 1914 he took a civil service examination given by the Illinois Highway Department for a position of Junior highway engineer and soon thereafter received appointment. Later he took a promotional examination for position of Assistant Highway Engineer and served as Assistant District Engineer from 1917 to 1922.

In 1922 Mr. Goeke was promoted to the position of district engineer in District No. 2 which includes the counties of Jo Daviess, Stephenson, Winnebago, Ogle, Carroll, Whiteside, Lee, Bureau, Henry and Rock Island with headquarters at Dixon.

The location, design, construction and maintenance of all state and federal road and bridge work in the above territory is supervised.

## French Liner Snaps Lines, Crashes Dock

Le Havre, France, Dec. 9—(AP)—The German-built liner Europa, renamed the Liberte by the French, snapped her moorings in a gale-driven tidal wave today, gashed her side against harbor wreckage and sank into the mud on a shallow side of the Le Havre basin.

The 49,746-ton vessel, assigned to France as war reparations, settled with a heavy list upon recession of the tidal wave, which had caused the sea to rise three feet above normal. However, a rising tide later righted her, indicating she had retained some buoyancy.

French line officials expressed hope that the Liberte, dogged by bad luck since she was launched at Hamburg as a North German Lloyd liner in August, 1928, could be refloated.

The sea and wind tore the vessel from the French line docks and shoved her across the basin, with anchors dragging, in less than three minutes. Wreckage staved in the Liberte's side at the level of the machine room and water flooded through the gaping hole.

However, there was no loss of life. All aboard were taken ashore, at 8 a. m. Fire fighting companies stood by.

# Supreme Court Will Hear Arguments In Lewis' Case Jan. 14

## Conference Seeks Way to Terminate Utilities Strikes

Washington, Dec. 9—(AP)—The government sought advice from executives and unions in the public utility field today in an effort to avert a repetition of the recent crippling Pittsburgh tieup.

The conference was called by Secretary of Labor Schwellenbach at the behest of the labor-management advisory committee set up by the labor department, consisting of representatives of the National Association of Manufacturers, U. S. Chamber of Commerce, AFL and CIO.

Cancellation Director Edgar L. Warren refrained from asking the union conferees for a no strike pledge and said he had no "preconceived solution to sell you."

Warren told the representatives of the three CIO and AFL unions that "the government's policy is one of free collective bargaining."

The government's victory over John L. Lewis in the coal strike was a big background factor in the meeting.

Other Meetings Planned

Additional "peace" meetings in other industries where strikes could imperil the national economy are planned soon by the committee, which functions under auspices of the Labor department.

Some labor leaders conceded privately meanwhile that the administration's stand against Lewis may discourage another round of strikes in the steel, automobile and similar major industries which have contract agreements expiring in the next few months.

These leaders noted that as long as the Smith-Connally War Labor Disputes act remains in effect, President Truman has the power to seize plants or industries where strikes are in progress or threatened.

And seizures could lead to prosecutions such as Lewis failed.

Taft for Quick Action

Union leaders said they recognize, too, that the coal strike served to heighten the desire among many members of congress to enact strike control legislation and laws limiting union powers.

Meanwhile Senator Taft (R-O) told reporters today he sees no reason for congress to hold up action on labor legislation until the Supreme court hands down a decision on the John L. Lewis coal case.

The Ohio senator, who returned to his office today from a Central American vacation, said it is up to the court to say what the law is and up to congress to say what it should be.

Meanwhile, Senator Lucas (D-Ill) proposed a congressional investigation of labor organizations to determine whether any of their leaders wield "autocratic power."

## Tragedy

(Telegraph Special Service)

Compton, Dec. 9—Plans for the Gardner-Denham wedding which was scheduled to have taken place in Dixon Saturday were halted abruptly by the accidental death of the groom-to-be, Marine Pfc. Roscoe Eugene Denham on Thursday of last week. Stationed at the Great Lakes Marine base since his re-enlistment in August of this year, he was instantly killed while on guard duty.

Roscoe was the son of the Fred Denham of Bellefonte, Pa. Verna Gardner is the daughter of Mr. and Mrs. Carl Gardner of Compton.

## Sixth Courteous Driver Rewarded

George P. Cassidy, West Brooklyn, employed by the Way side Press Co., of Mendota, was awarded a crisp five-dollar bill Wednesday afternoon in The Evening Telegraph-Chicago Motor club courtesy driving campaign. Cassidy was returning home from his employment and driving through West Brooklyn's main street, stopped his car when he observed Emory M. Hanson, who operates an implement store at Compton, jay-walking across the street. The driver halted his car to permit the pedestrian to cross in safety and was rewarded for his courteous act by District Manager Wayne Keeley of the Motor club and State Officer Robert Burns.

## Early Decision Looked For as Lewis Orders Men Back to Work

Washington, Dec. 9—(AP)—The supreme court today agreed to give a quick ruling on the validity of the contempt conviction of John L. Lewis and his United Mine Workers, in the soft coal strike.

The high court set Tuesday, Jan. 14, for hearing arguments by counsel for both sides.

A decision could come any Monday after arguments are completed.

The high court acted on a government plea that—because of the public interest involved—the case be taken out of the hands of the U. S. court of appeals here and speeded to a final, "authoritative" decision.

Lewis and the union were convicted for contempt in ignoring a U. S. district court order intended to head off the 17-day soft coal strike which was ended last Saturday. Their fines totaled \$3,510,000.

Final Decision Earlier

Today's action means a final decision can be expected a month or two earlier than if the issues involved had been decided first by the court of appeals.

Lewis in calling off the strike at least until March 31, said future contract negotiations will be "within the limitations of the findings of the supreme court." He said one of the reasons he ended the strike was to enable the court in considering his case to be "free from public pressure superinduced by the hysteria and frenzy of an economic crisis."

Jubilant over the weekend surrender of Lewis which ended the 17-day economy-wrecking walk-out, officials familiar with the government's legal strategy had expressed confidence that the top court of the land would take jurisdiction for an early showdown.

In cancelling the strike Saturday afternoon after indicating time and again that he planned a fight to the finish, Lewis gave these reasons:

1. The supreme court, in con-

## Grand Jury to Act on Assault Charge

Dean Adams, 19, 713 East Second street, held for questioning in the assault on Miss Phyllis Ogen, 28, nurse's aid at KSB hospital, Monday night, was bound over to the January grand jury Saturday noon by Justice of the Peace J. O. Shaulis on a charge of assault with a deadly weapon. Bond was set at \$5,000.

Chief of Police Harry Fischer, who signed the complaint against Adams, was the sole witness to testify at Saturday's hearing. He testified that Miss Ogen had identified Adams as her attacker when the youth was taken to the hospital by him. Adams has denied that he committed the attack.

Meanwhile, Miss Ogen's condition was reported better today at KSB hospital, and hospital authorities are confident now that the sight in her injured eye can be saved. She is reported able to sit up now.

A second facial operation was performed Friday when it became evident that a bone pressure on the eye might impair her vision. Previously, plastic surgery was performed to repair damage to the left side of her face, crushed during the assault.

## DeKalb GI Held For Shooting German Girl

Berlin, Dec. 9—(AP)—Agents of the U. S. Army's criminal investigation division said today they would prepare formal charges against Cpl. Donald L. Johnson, 26, of DeKalb, Ill., arrested in the shooting of a German woman in a Berlin dwelling Saturday night after what military police reported was a lover's quarrel.

Police said Johnson was found in the room with the critically-wounded woman—Irmgard Stolt, 26—with a pistol lying beside her, and that Johnson told them they had quarrelled.

The CID took paraffin tests of Johnson's hands and announced that they showed positive evidence of powder burns.

The severity of charges against Johnson depend upon whether Miss Stolt survives. She was still in a coma late today at a U. S. Army hospital.

## Lehman-Genz Vows Read in Dixon on Sunday Afternoon

Miss Gladys R. Lehman, daughter of Leo N. Lehman of Nelson, and Earl A. Genz, son of Mr. and Mrs. Max Genz of Nelson, plighted marriage vows in an impressive ceremony Sunday afternoon, December 8th, at 3:00 o'clock at the St. Paul Lutheran church, Dixon. The double ring ceremony was performed by Rev. George J. Curran. The altar was decorated with ferns and palms and the altar vases were filled with white chrysanthemums. The white carpeted aisle was effective, white satin ribbons marked each pew, and the two seven branch candelabra completed the setting.

Miss George J. Curran sang "My World," and "At Dawning" before the ceremony. Mrs. D. Chapman was at the organ to play the traditional wedding march as the bridal party took their places before the altar.

The bride, who was given in marriage by her father, was charming in her gown of white. She was attired in a gown of moire taffeta, with a drop shoulder effect with net insert, a bustle, long tight sleeves, and a short train. She wore a gold locket. Her fingertip veil was held with a crown of orange blossoms. She carried a white chrysanthemum and red rose bud, colonial bouquet tied with white satin ribbons in show-er arrangement.

The bride was attended by Vera Lehman, sister of the bride, as maid of honor, and bridesmaids were Miss Rita Babin of Nelson, and Mrs. Forrest J. Anderson, sister of the groom, of Sterling. They all wore identical floor length dresses of pink net over pink satin, with the sweetheart neckline, each wearing a string of pearls. The pink shoulder length veils were held with a braided corona. Their colonial bouquets were of yellow and bronze chrysanthemums, with bronze satin ribbon streamers.

Raymond Ruppert of Dixon served as best man. Ushers were Glen E. Genz and Leroy O. Genz, brothers of the bridegroom. They wore white carnation boutonnieres with their tailored suits. Immediately after the Lord's Prayer, Mrs. George J. Curran sang, "O Perfect Love."

The bride's aunt, Mrs. D. Foster of N. Aurora, wore black velvet with black accessories. The mother of the bridegroom wore black sheer with pink accessories. They had shoulder corsages of pink carnations.

A reception was held in the church dining room after the ceremony. The bride's table was centered with a four-tier wedding cake topped with a miniature bride and groom.

Mrs. Lawrence Raaver of Sterling, cut and served the wedding cake after the first piece had been cut by the bride and groom, Miss Marian Raaver of Sterling, and Mrs. Clarence McDonald, sister of the groom, poured. Miss Mildred McFalls of Sterling registered the guests in the bride's white leather guest book, numbering two hundred. Miss Betty Rogers, cousin of the bride, and Mrs. John Babin was in charge of the gift table. Waitresses were Mrs. Chester Freeman, Mrs. M. E. McMillen, Miss Violet Hallquist and Mrs. Clemens May.

The bride graduated from Dixon High school and Scovill's business college. She has been employed as a stenographer by the Prince Castle's Ice and Coal.

The bridegroom is a graduate of Rock Falls high school and served in the United States navy for four years. He is employed by the Shappert Construction Company.

For their wedding trip the bride wore a blue wool dress with brown accessories and a corsage of pink and white roses.

The many guests were from Nelson, Dixon, Rock Falls and Sterling. Out-of-town guests were Glen F. Genz and Freeman Bolliver of Cedar Rapids, Iowa; Mr. and Mrs. Lloyd Geiger of S. Beloit, Ill.; Miss Betty Rogers of Lancaster, Pa.; Mrs. Elizabeth Mapes, Mr. and Mrs. Harry Garrett and daughter, Rosalie, Charles Garrett, Joyce Gould, Mr. and Mrs. H. E. Rogers and sons, Donald and James, of Elgin; Mr. and Mrs. Roy D. Foster of N. Aurora; Mr. and Mrs. M. E. McMillen of DeKalb; Mr. and Mrs. Chester Freeman of Clare; Mr. and Mrs. Charles Byers, Mr. and Mrs. Max Summers and son, William; Miss Sarah Burkett, Mr. and Mrs. Elmer Rainwater of Belvidere; Raymond Summers, Mr. and Mrs. Harold Heuvelin of Rockford.

## Butler in Play

If you had the pleasure of seeing Mr. Ryan in "You Can't Take It With You" then you will want to see him again in "Professor How Could You" as Bogbins, the sporting butler.

How a butler could get involved into so much trouble you will have to see "Professor How Could You" to find out.

The place is Loveland community bldg., and the time is Dec. 11-12th, 8 p. m.

## Harmon W. S. C. S. Meets Recently

(Telegraph Special Service) Harmon, Dec. 9.—The lovely country home of Mrs. William Dietz of Harmon was the scene of the annual Christmas meeting and party of the W. S. C. S. Twenty-five members and guests partook of the picnic luncheon with Mrs. Dietz, Mrs. Andrew Taylor, Mrs. Melvin Johnson and Mrs. Harold Dietz serving as hostesses. Mrs. Cora Wadsworth of Dixon was a guest.

During the regular business meeting, Mrs. Frank Hicks and Mrs. Charles Hill were in charge of the music and led in singing Christmas carols. Mrs. Harold Dietz read the story of the birth of the child Jesus. Miss Carolyn Watkins of Dixon reported on the visit to the holyland by Rev. Mr. Stout, M. E. Dixon minister as given, before the adult woman's Sunday school class.

A brief but instructive talk by Mrs. Robert Smock, daughter of a former missionary to Northern Japan gave the group, interesting sidelights into the life of the people of Japan and especially their Christmas festivities.

The gift exchange in charge of Mrs. J. A. Smallwood closed a delightful evening. Mrs. Charles Hill, Mrs. Smallwood and Mrs. Eva Peach will have charge of the January finance division, and the meeting for this month will be held with Mrs. William Luke.

## Marilyn Henert, Kenneth Herwig Wed in Salem November 16

### IMPRESSIVE CHURCH WEDDING PERFORMED BY REV. ENGELTER

An impressive fall wedding took place at the Salem Evangelical United Brethren church Saturday evening, November 16th when Miss Marilyn Henert, youngest daughter of Mr. and Mrs. Justus Henert, became the bride of Kenneth Herwig, son of Mr. and Mrs. Edward Herwig.

In the glow of many candles Rev. G. W. Engelter performed the double ring ceremony at the altar which was attractively decorated with baskets of white chrysanthemums, palms, and tall candelabra.

Nuptial music was played by Mrs. Laurence Jennings, organist, and Miss Helen Kersten, a friend of the bride, sang "At Dawning" and "Because," preceding the ceremony. As the marriage vows were exchanged the strains of "I Love You Truly" were played softly on the organ. At the conclusion of the service while the bride and groom knelt at the altar Helen sang "The Lord's Prayer."

The bride, who was given in marriage by her father, was lovely in a gown of white shirred satin, with train, fashioned with a braided yoke and leg-o-mutton sleeves ending in points over the wrist. Her full length blusher veil of French illusion fell from a beaded Jara. She carried a bouquet of white roses, carnations and bouvardia, centered with a corsage of white roses.

Mrs. Keith Chapman attended her sister as matron of honor wearing an aqua jersey gown styled with cap sleeves and a gathered bodice. She wore white gloves and a tatra of orchid mums. Her bouquet was shades

of orchid mums tied with orchid ribbon.

Miss Louise Paddock and Mrs. Clarence Unger served as bridesmaids. Louise wore a pink taffeta gown and Mrs. Unger a yellow taffeta gown. Each carried a bouquet of bronze and yellow mums and matching tiaras for their hair.

Verlis and Larry Henert, nephews of the bride attended as ring bearers carrying the rings on white satin pillows.

Miss Jo Ellen Henert, niece of the bride was flower girl wearing a white satin floor length dress with blue ribbons and a tiara of white mums. She carried a white satin basket filled with rose petals which she scattered on the white carpeted aisle.

The groom, attired in a brown gabardine suit, was attended by his cousin, Meile Butler. The ushers were LaVerne Kersten and Clarence Unger, all of whom wore white carnation boutonnieres.

For her daughter's wedding Mrs. Henert wore a black crepe dress. The bridegroom's mother wore a navy blue dress. Both wore corsages of pink carnations.

Following the ceremony a reception was held in the church parlors for the relatives and close friends. The table was graced with a four tiered wedding cake decorated with pink and white roses topped with a miniature wedding bell. There were tall white tapers in silver holders on each side. Mrs. Harold Glenn, sister of the groom, cut the wedding cake.

Mrs. Ben Griffin poured and Mrs. Roland Henert and Mrs. Donald Henert served. The refreshments consisted of wedding cake, ice cream, with a wedding bell center, coffee, mints and nuts. Mrs. John R. Cain received the guests and had charge of the bride's book.

When the bridal couple left on a honeymoon in the South the new Mrs. Herwig was wearing a gold gabardine suit with brown accessories. On her suit she wore a gold flowered lapel pin, a gift of the groom.

Both are graduates of the Ashton Community high school. Upon their return from a two-week honeymoon they will be at home on the groom's father's farm south of Ashton.

The next meeting will be held with Mrs. Charles Manon.

CHILDREN REARING COURSE NEARS END

At the final meeting of the "Child-Rearing" course which will be held at the high school tomorrow afternoon at 2 o'clock all parents in Dixon who are interested in this or future courses are urged to be present.

The matter of future courses rests entirely with public demand. The age of youngsters discussed, the time, place and length of course are all things which will vary according to desires. The group asking for help.

At the present time there is no definite study planned for the coming weeks so suggestions from par in the community will have considerable weight in determining the type of course to be pursued.

TO NEW YORK

Mr. and Mrs. Alvin E. Dodd, after a 1-day visit at their country home in Grand Detour, left Sunday for their home in New York City. They expect to return in mid-February for a longer stay.

The Prairieville social circle met on Wednesday at the Prairieville church with Mrs. Ellis Williams and Mrs. Jesse Sims as hostesses. Twenty-four ladies and two children enjoyed a scramble luncheon at 1 o'clock on a table decorated in the festive yuletide decorations. Baskets of fruit and nuts and lovely red candles constituted the centerpiece for the table.

At the business meeting conducted by the president, Mrs. Jay Seavey, various reports were read and a descriptive and interesting letter from Mrs. Harry Friedrichs was read by a member. Mr. and Mrs. Friedrichs are spending the winter in Tucson, Ariz.

A committee was appointed by the president to make definite plans regarding the selling of lunch at a farm sale to be held Dec. 30 at the Joe Reaver farm. Each member was asked to provide a pie for the sale. The nominating committee for new officers was named, and will make a report at next meeting.

In closing the meeting, a gift exchange was arranged like a treasure hunt, which created much

## Legion Auxiliary Christmas Program Supported Locally

Wide and varied is the rehabilitation and Christmas program of the Illinois American Legion auxiliary, which with its expected 75,000 members will help the national organization reach its goal of a million members for 1946-47, according to Lucille Gorham, president of the Dixon unit.

The unit's rehabilitation chairman, Mrs. Helen Cleary, and her committee, are especially working on the national program, "Gifts to the Yanks Who Gave," which will be carried on in cooperation with the American Legion, and other interested organizations and individuals, including Eddie Cantor, originator of the idea. Christmas gifts and cheer will be brought to every hospitalized service man and woman in the country, thus making it the "Biggest Christmas Party in the World." Gifts for the veterans may be left at Vaile clothing store, Welch & Brader's office, or I. N. U. office, according to Miss Gorham, and funds for the purchase of these gifts may be sent to her.

The Dixon unit has contributed funds for the "Gift Shop" for indigent veteran patients at the following hospitals: Dwight, Danville, Kankakee, Manteno and Downey. Patients may obtain free of charge at these shops, Christmas gifts for their families. These gifts are gaily wrapped and mailed free of charge by the auxiliary to the patients' families. The unit also contributes regularly to the department treasure chest fund, which supplies creature comforts to hospitalized veterans throughout the year, and the insulin fund for veterans needing insulin, who cannot afford to buy it for themselves. Special projects are also undertaken by the auxiliary at each of the 24 Illinois hospitals having veteran patients. Illinois has the largest veterans hospital in the country—the 3,400 bed Hines center, near Chicago.

Mrs. Cleary also stated that recently units throughout the country gave funds for the purchase of two station wagons and a soda fountain to the U. S. Marine hospital at Carville, La.

Attention of auxiliary members and their friends is especially being called by Mrs. Cleary to the veteran craft exchange, located in Chicago. Hundreds of clever hand made Christmas gifts may be purchased through the local unit from this non-profit craft shop, sponsored by the Illinois department of the American Legion auxiliary. Veterans throughout the country send their handicraft throughout the year to this shop, which in turn sells it for them. According to Mrs. Cleary each of the over 700 units in the state is asked to purchase at least \$5 in material from this shop, which is the only one of its kind in the country.

Other Christmas projects of the Dixon unit include Goodfellow and USO. A

Assisting Mrs. Cleary is Mrs. Sophia Clark.

Col. Philip F. LaFollette, former governor of Wisconsin and a member of Gen. Douglas MacArthur's staff in World War II will be the speaker tomorrow night in the series of programs brought here by the Dixon Talk of the Hour Club. He will speak at the Loveland community building at 8 o'clock.

## Last Presbyterian Assn. Meet of '46

Various groups of the Presbyterian Women's Association held their last meetings of the year Thursday evening.

Group I met at the home of Mrs. William Haefliger. Co-hostesses were Mesdames W. R. Kitson and Flave Plock. Mrs. George Dixon led the devotionals and Mrs. J. J. Lennon, in her presentation of the program, read an interesting article on the influence of the Christian religion on the Indians of South America.

Mrs. H. C. Bartholomew was hostess to group II. Devotions were given by Mrs. Charles Richards and Mrs. Curtis Taylor, program chairman, with a number of group members, presented "The Ecumenical Church" Mrs. Bartholomew's assistants were Mesdames Charles Willett, L. W. Anderson, Carl Newman and Curtis Taylor.

Group III had for its hostess, Mrs. Charles Marshall with Mesdames Gerald Arnould, Marian Pearson, Wayne Keeley and Miss Dorothy Carlson assisting. Devotions were in charge of Mrs. Henry Pollock and Mrs. Earl Bennyhoff presented the program. During the social hour which followed the business meeting, refreshments were served from a lace-covered table beautifully decorated in the Christmas motif.

MOOSE WOMEN MEET  
The Women of the Moose held a library chapter night at their last meeting, with Mrs. J. H. Baker, library chairman, presenting the Bethel quartet, who sang two numbers.

Co-workers Marie Stinger, Sally Fisher and Grace Frey helped with the initiation of five new members. They also helped install co-workers Maud Love as graduate regent.

ATTEND CONCERT  
Mr. and Mrs. John Roe attended the symphony concert in Rockford Sunday afternoon.

## Missionary Group Has Church Study

The Baptist missionary society met at the home of Mrs. Kenneth Helin with Mrs. Rose Russell and Mary Kelly assisting hostesses. Invitations were in charge of Ruth Scholl.

Mrs. Margaret Klatt gave the home mission topic from "Kin to Me," dealing with the early American Indians, Chinese and Japanese people, and the difficulty they have had getting their churches organized and recognized by the white people. The Chinese people suffered many disappointments on the west coast, with attacks, massacres and the destroying of their churches. The Mono and Crow Indians have just recently opened their churches to the white people. The Japanese churches got off to a poor start, but increased in size rapidly and now are in need of expansion.

Lovely refreshments were served at a table carrying out the Christmas colors and an enjoyable social hour followed. The next meeting will be held with Mrs. W. D. Millikan on Feb. 6. There will be no January meeting.

## WA-TAN-YE MEMBERS MET FRIDAY NIGHT

Nineteen Wa-Tan-Ye members were guests of the Christian church women on Friday evening for dinner. The club agreed to give 10 dollars to each of the tuberculosis fund, the Goodfellow fund and the USO campaign. A letter of appreciation was received from Elmer Miller, chairman of the Lee County infirmary committee, thanking the group for the cookies, candy and flowers they sent on Thanksgiving. The radios which the club is donating to the infirmary rooms for Lee county patients, are soon to be installed.

POMONA GRANGE TO INSTALL NEW OFFICERS  
The Whiteside county Pomona Grange will hold its annual installation of officers at Palmyra Grange hall on Wednesday evening Dec. 11 at 8:30. Delmar Lange of Rock Creek Grange will be the installing officer. Subordinate members are invited and there will be refreshments and a dance following the installation.

DINNER PARTY  
Mr. and Mrs. Louis G. MacDonald entertained with a dinner Friday evening at the Nachusa house. There were 14 guests, who were entertained with cards at the MacDonald home following the dinner.

# CLEAR WAY FOR DUKE, CITY LEAGUE GAMES

## Bobtales

By BOB FALLSTROM

Mr. John Francis Druze of South Bend, Indiana, will be in town tomorrow.

That's John Druze of Notre Dame, end coach of the nation's top football machine.

John is scheduled to address Dixon fans and high school gridders at the Junior Chamber of Commerce grid banquet tomorrow evening at the Elks club, replacing Joe McArdle.

His talk, spiced with movies of the Irish-Tulane battle, should prove interesting. Whatever he has to say will be eagerly snatched at.

Personally we hope Druze goes into detail about the great Rambler forward wall, Frank Leahy's ball carriers have drawn down bundles of praise. The line received a few plaudits, especially after statistics proved it to be the country's No. 1 defensive group, but was generally overlooked by most writers, blinded by Johnny Lujack and his talented backfield co-workers.

However, there's no doubt but what Notre Dame wouldn't have appeared so powerful minus a few of the line stalwarts.

Let's run down that line, end to end, and see what made it click.

At the flanks, Druze tutored Jim Martin, Jack Zilly, Paul Linder in the U. S. in rough, tough 225-pound George Leo Connor, a transfer student from Holy Cross, was picked for All-America honors before the season began. He proceeded to live up to the press notices by turning in nifty performances each Saturday.

Every All-America selection appearing thus far, including the AP, U.P., NEA and Collier's, has contained his name.

Connor also is the recipient of the Football Writers Association of America Outland trophy, inaugurated this season to honor the outstanding guard or tackle in American football.

George's running mate, Ziggy Czarowski, wasn't a pushover either although he sat out several contests with injuries.

Moving along to the guards, John Mastrangelo, Joe Signaigo, Bill Fischer and Bob McBride, were as fine a quartet as any school could muster. Mastrangelo was particularly outstanding.

And at center, George Strohmeyer, Marty Wendell and Bill Walsh were brick walls. Strohmeyer proved to be a ferocious-line barker while Wendell also is noted for exceptional defensive ability.

Walsh, first string pivot man in 1945, played well the few times Leahy beckoned.

Thus then was the line corps of Notre Dame the line that broke Army's heart, the line that enabled Notre Dame to finish its schedule unbeaten, the line that was tremendously responsible for the successful season and subsequent ranking of "national champions."

Welcome to Dixon, John. And may your oratorical effort shape up as well as your great flankers!

**WEST ROCKFORD RECAP**—The Associated Press, in its high school roundup yarn Saturday, mentioned Dixon in a couple of places. One line contained the Dukes bunched with Galesburg, Anna-Jonesboro, Decatur, Rock Island, Mattoon, Urbana, Wood River, Paris and Moline as "leading contenders."

Then the AP went on to note: "Dixon jarred West Rockford, 37-31."

Space restrictions prohibited us from carrying the story, but we're reserving a spot for next Saturday.

**SHORT SHOTS**—B. A.'s star guard, Bob Hess, suffered a leg wound in the Frances Shamer tilt, and may be out of action for some time. Another regular, Bob Cramer, is also sidelined due to a limb injury.

Royal McMullen, West Rockford's so-called hot shot, snapped back a trifling Saturday night 60-35 points against Waukegan but the Warriors absorbed a terrific 69-35 shellacking.

Milburne "Spider" Kensing, remembered as a DeKalb halfback stand-out in 1944, is currently aboard a sea plane tender in Rear Admiral Byrd's task force en route to the South Pole. Kensing and his equally adept runningmate, Mel Ainsworth, beat Dixon with long runs, back in '44.

Bob Torman of Paw Paw is a member of Coach A. J. Robertson's Bradley (Peoria) basketball club. Bill Shultz, one of the finest Duke hoopers of recent years, will be back in town Jan. 18 from the U. of Wisconsin. He's reported eager to hook up with one of the City league quintets.

## Two Home Games for This Week

All regular activities in Dixon public schools have been resumed since the cessation of the coal walkout. The Telegraph learned today.

Thus the way has been cleared for Dixon Duke home games and the remainder of the schedule will be played as listed.

Two games are slated for this week. On Friday evening, Genesee's Maple Leafs come here to inaugurate the North Central Illinois conference campaign in what will also be the Purple squad's hometown debut. And on Saturday night, Freeport's Pretzels appear to play off the tilt originally set for Nov. 29 and postponed because of the fuel crisis.

One other battle was rescheduled when John L. Lewis' miners failed to effect a speedy settlement. It was the Rock Falls tilt set for last Saturday. Since the strike's end came at such a late hour there was no chance to stage the game and it will be played around March 1.

## What Comes Naturally

FOR THE SIXTH TIME IN NINE YEARS, THE TENNESSEE VOLTS GO VISITING THIS NEW YEAR'S DAY.

## McArdle Unable to Appear, Druze Here

Due to illness, Joe McArdle, assistant line coach at the University of Notre Dame, will be unable to appear at the Junior Chamber of Commerce football banquet to be held at the Elks club at 6:30 p. m. tomorrow evening. However, an outstanding replacement, John Druze, end mentor at Notre Dame, has been secured.

No change in other preparations for the fete are contemplated. Technicolor movies of the Irish-Tulane scrap at New Orleans will be shown. And as a special added attraction, pictures of the classic of the grid year—Army vs. Notre Dame—will be presented through the courtesy of Dr. David Murphy. The event also includes a turkey dinner, complete with the usual trimmings.

Druze is a graduate of Fordham, where he was a regular left end for three years and captain of the 1937 team which won seven titles and tied one. He played 60 minutes in almost every Fordham game.

**STILL SOME LEFT!**  
There are still a few ducats for tomorrow's Junior Chamber of Commerce grid banquet on hand, members of the arrangement committee revealed today. They will be distributed on a first-come, first-served basis and fans desiring 'em are advised to contact Paul Potts or James E. Bales.

**Star Defensive Man**  
Druze starred as a blocker and defensive man, since Jimmy Crowley's eleven didn't employ many passes. He stands six feet tall, and is but slightly over the 190 pounds he weighed as a senior with the Rams.

The present N. D. flank coach graduated from Fordham in 1937, playing for the Brooklyn Dodgers in 1938 under Patsy Clark. The following spring Frank Leahy hired him as coach of ends at Boston College. In his brief coaching career, Druze has produced two all-American wingmen Gene Goodreault at Boston College in 1940 and Bob Dove at Notre Dame in 1941.

Druze entered service April 16, 1942, and was commissioned an ensign in the navy. He was discharged as a full lieutenant Nov. 17, 1945, after seeing combat in both the Atlantic and Pacific theatres, including 18 months of sea duty.

**Shank Tops Mates in Illinois Game**  
Illinois' Whiz Kids walked over Cornell college Friday evening, 57-39, but the Illini couldn't stop Dixon's Cyril "Cy" Shank from netting four field goals and a girfter to top the Mount Vernon, Ia., squad.

Playing their first collegiate game in four seasons, Ken Menke, Andy Philip, Gene Vance and Jack Smiley scored 16, 14, 5 and 3 points respectively, in only 20 minutes of action.

Cornell was outclassed all the way but managed to outscore Illinois' reserves 12-8 for five minutes in the second half.

**WRESTLING RESUMES DEC. 19 AT STERLING'S COLISEUM**  
Wrestling takes a pre-Yuletide vacation this week at the Sterling coliseum. The next mat card will be presented Thursday evening, Dec. 19, with Tex Hager and Rudy Kay clashing in the feature bout.

## Initial Card to Be Played Thursday

Paul Potts, president of the City Basketball league, today announced the initial doubleheader will be presented at the Dixon high school gym Thursday evening with the Watt Four tackling Coss Dairymen in the lifter and Knacks and B. & A. clashing in the afterpiece.

The program is the one originally scheduled to open the industrial loop last week. It was shelved on account of the pressing coal situation which rendered the high school court unavailable. The schedule will be unaffected with only a one week change in dates.

In other words, the circuit will run until Feb. 27 instead of Feb. 20. Managers are advised to make the date changes accordingly.

Lincoln school's court has also been made available again for practice use during the final few days remaining before the slate gets underway.

**MEETING CALLED**  
Managers of the five City league basketball quintets are asked to congregate at The Telegraph office at 7 o'clock Wednesday evening to discuss final preparations for Thursday's opening games. In announcing the confab, President Paul Potts stressed it was an important detail and requested the attendance of all pilots.

**Organize New Loop at Polo Tonight**  
A new athletic conference will come into being tonight at Polo. When representatives of four recently resigned Rock River Valley conference schools huddle in an organizational meeting.

The four schools are Polo, Oregon, Mt. Morris and Mt. Carroll. In addition it is reported four other teams—Harlem of Rockford, Lanark, South Beloit and Hononegah of Rockton—will be in attendance to present franchise requests.

Action is expected to be taken on these bids tonight. Other decisions on the docket concern a possible round-robin basketball schedule, selection of a name and future schedules.

The loop is believed to have been hatched due to the complete championship dominance in the RRVC of Morrison's Mallets and Rochelle's Hubs. These two outfits, plus Amboy, are the only remnants of the 17-year-old wheel.

However, the ex-members will close out the basketball season in the RRVC. The resignations do not take effect until the close of the school year next spring.

**Cage Games Featured by Hall's Defeat**  
Recapping the basketball week-end.

**FRIDAY**—Mendota's Trojans of NCIC rolled over Ohio, 51-36; Moline turned back Genesee's Maple Leafs, next Duke opponent, 40-31; Freeport's Big Eight team vanquished Sterling Township, 50-26, as Guard Percy Franklin garnered 13 points; Morrison nabbed its initial triumph, 52-48, over Prophetstown; Sterling Community beat Fulton, 40-30; East Rockford romped to a 61-46 win over Watman; Ottawa decisioned LaSalle-Peru, 43-35; Hall Township was bumped for the first time, 34-26, by St. Bede's Bruins and Kirkland whipped DeKalb's Barbs, 37-33.

**SATURDAY**—West Rockford was outclassed for the second straight night, this time by Waukegan's Bulldogs. The Bulldogs had an easy chore, racking up a 69-35 victory.

Rockford's other major cage squad—the E-Rabs—slaughtered Mount Carroll, 76-34. Byron dropped East's sophomores, 65-39, in the program's liftdier.

Rochelle misplaced its faculty of coming up with one-point decisions and bowed by a single marker instead, 25-27, to Sycamore. Previously the Hubs had

## Green River Valley Meet Opens Tues.

The 21st edition of the Green River Valley conference tournament, one of the oldest series of basketball games in northern Illinois, opens a four-night stand at Steward high school tomorrow evening.

Six teams, Franklin Grove, Paw Paw, Rollo, Steward, Lee Center and Compton, will be represented. A new feature pits lightweight teams from the schools, as well as varsity squads, in competition and a championship from each division will be decided.

Paw Paw, coached by Bill Grove, is the defending champ. Principal J. M. Thompson of Steward high school is manager of the event and officials are Lauri Koski and Ed Lindgren, both of DeKalb.

Tickets for the double-bills are priced at 50 cents for adults and 30c for children.

Here is the tourney schedule, with "A" denoting varsity contests and "B" signifying lightweight games:

**TUESDAY**—7 o'clock, "B" Rollo vs. Franklin Grove. 8 o'clock, "A" Franklin Grove vs. Steward. 9 o'clock, "A" Paw Paw vs. Rollo.

**WEDNESDAY**—7:30 o'clock, "B" Lee Center vs. Steward. 8:30 o'clock, "A" Compton vs. winner of Franklin Grove vs. Steward.

**THURSDAY**—7:30 o'clock, "B" Paw Paw vs. Winner Rollo vs. Franklin Grove. 8:30 o'clock, "A" Lee Center vs. winner Paw Paw vs. Rollo.

**FRIDAY**—7:30 o'clock, "B" winner of Thursday vs. winner Wednesday for lightweight championship. 8:30 o'clock, "A" winner Wednesday vs. winner Thursday for heavyweight championship.

edged Sterling Community, 28-27, and Polo, 22-21.

Freeport, Saturday opponent of Dixon's Dukes, blasted Moline, 44-36, chalking up its second win in two evenings.

Among the bigger schools, Champaign notched No. 32 in succession, 51-23, over Effingham and Decatur pasted Quincy, 56-35.

## Boom or Bust Talk Grows; Some See Slump Hitting in '47

### Few Believe Country is "Talking Itself Into" a Depression

Washington—(AP)—The burning question is "recession or boom in 1947?"

Talks with highly placed government fiscal and economic experts bring out these facts:

1. Many, probably most, expect a recession in 1947, followed by a prolonged boom. Some believe the boom will end in a crash.

2. A few see "no compelling reason" for an economic slump in the foreseeable future. But these do not predict it will not occur.

Men in the latter group feel that it's quite possible the country is "talking itself into a depression."

One of them explains it thus: "They say 'we had a depression after the last war, therefore we'll have one after this war. This war lasted twice as long, so the depression will come twice as late and be twice as bad.'"

Agencies May Block Crash But, this man added, business conditions, then and now differ in many respects. The national economy now includes many governmental agencies and institutions which it did not have before the 1929 crash. This man and others who think like him look to these agencies to buttress the economy against collapse.

Newest and most strategically

placed of such units is the President's council of economic advisers, whose job is to gather economic facts and recommend measures to promote the nation's economic well being.

What the council says in its first report—a confidential memorandum to the President due Dec. 16—may supply the key to the administration's economic policies for the coming year. The president, under the "full employment" act of 1946, will make an economic report to congress at the beginning of the next session, presumably based on the council's findings.

Whatever action the council may recommend, many experts in other agencies of the government doubt that any steps could be taken in time to avert a recession in 1947 if one is on the way.

See Five Possibilities Here are five ways these pessimistically inclined experts say they think a recession might get started next year:

1. If prices get too far ahead of wages, buying might slacken, production slow down, workers be thrown out of jobs.

2. When warehouses and shelves are well stocked, the resulting drop in dealer demand for goods might throw production off balance. (It is estimated that from two to three million persons are employed producing goods for inventory buyers.)

3. Some producers, unable to produce certain parts and materials to complete their product, are piling up unfinished and unsaleable merchandise. The lack of a turnover is threatening some businesses, particularly small manufacturers.

4. Wages and other costs are rising faster than some business men say they can increase their

prices. This might squeeze some out of business.

5. Although employment is practically at a maximum, many factories are running at slow speed because of shortages of materials. Large numbers of employees are hired on a stand-by basis against the time the employer can obtain materials or facilities. This time may not come soon enough for some employers.

#### Favorable Factors Listed

The optimists—of whom President Truman and Secretary of the Treasury Snyder have been among the most outspoken—list many favorable factors now prevailing, such as the following:

1. Highest level of peacetime employment in history—57,400,000.

2. Industrial production at a peacetime high. The federal reserve board's adjusted index of production for September stands at 177 per cent of the 1935-39 average.

3. Steel ingot production in November above 91 per cent of capacity—a new power output in the first week of November at the highest level on record.

5. Exports and imports at all-time highs.

Meanwhile new safety devices (new since 1929) are being alerted to take action in case a crash threatens. They include:

International bank and fund, designed to stabilize currencies and facilitate sound loans to nations needing rehabilitation.

Securities exchange commission.

to prevent blind, irresponsible speculation in the stock market.

Federal deposit insurance corporation, to prevent banks from making unwise loans and to avoid bank panics by insuring deposits.

Banking act of 1935, to prevent deposit banking institutions from underwriting securities.

Reconstruction finance corporation, primarily to aid hard-pressed insurance companies, railroads and banks by extending loans which they could not get from private lenders.

Farm credit administration, to bail out farmers who are in temporary financial difficulties.

Social security unemployment insurance, to ease the effects of unemployment.

Some economists point out, however, that many of these agencies are designed to prevent a specu-

lative boom, such as we had in the '20s. It is generally agreed that the present boom is not speculative.

These organizations' big job may come during a long upward climb to some high prosperity peak in the 1950s—which also is freely predicted on all sides, even among those who expect a crash next year.

President Theodore Roosevelt was the youngest man ever inaugurated as President of the United States, at 42 years of age.

Under the world naval agreement of 1921, since abrogated, warships were limited to 35,000 ton size.

New Jersey has outlawed the wearing of dangerous hats in public places.

### Illinois Exhibitors Get Stock Show Top Spot

Chicago, Dec. 9—(AP)—Illinois exhibitors won 48 championships and 140 first places for top honors among 35 states and three Canadian provinces represented at the 47th International Livestock exposition which ended Saturday.

The most notable of the Illinois-held championships for the world's largest eight-day farm show were the soy bean title, taken by H. L. Stiegelmeier of Normal and the "corn duke" honor by Vernon Ely of Mazon.

Exposition officials said this year's prize winners carried away cash prizes and proceeds from

sales totaling almost \$2,000,000. The exposition attracted more than 400,000 visitors, equaling the 1941 record attendance, and was described by officials as the "most successful."

Colors of the commercial sponge, when alive, range from yellowish gray to coal black.

# U. S. Will Speed 300,000 Tons of Food to Germany

## Patterson Acts to Meet Crisis Brought on By Maritime Strike

Washington, D. C.—(AP)—War Secretary Patterson announced emergency measures to speed more than 300,000 tons of food to the United States zone of Germany this month to meet a shortage caused largely by the maritime strike.

Patterson told Lt. Gen. Lucius D. Clay that:

1. The war department is undertaking to send 305,500 tons of food this month compared with 52,500 tons in November.
2. Seventeen grain laden vessels are to sail from Albany, N. Y., in December, with the coast guard ready to provide icebreakers in the Hudson river if needed.
3. Stand-by vessels will be held in other ports to prevent unforeseen delays and take on additional last minute cargoes.

### Breaking Bottlenecks

Patterson's statement said the war department is making headway against difficulties in breaking bottlenecks in food transportation which "have threatened to wreck the occupation program."

He said railroad transportation is the critical factor in supplying an estimated 300,000 tons of grain needed monthly to maintain the daily ration of 1,550 calories in the American zone. He added that "if we do not get that transportation, we face famine, chaos and the risk of failure."

The secretary's statement was in response to one by Clay, deputy United States military governor, who said during negotiations for economic unification of the British and American zones that lowering the ration would imperil the occupation program.

### Grain Stocks Ample

Patterson laid the food shortage to the maritime strike which he said set back shipments by 60 days, the continuing shortage of box cars, and the added tonnage which, by the Anglo-American agreement, must now be sent to the British zone. American grain stocks are ample, he said, to provide for the needs.

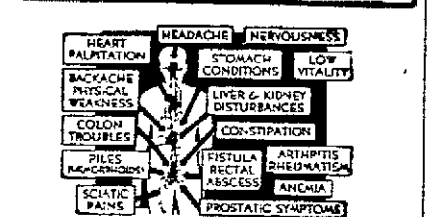

"In December the Army is scheduling shipments of 276,500 tons of bulk grains to Germany," he advised. "In November we shipped only 39,308 tons. The contrast for flour is equally great. In November we shipped but 6,769 tons of flour as against December scheduled shipments of 14,769 tons."

"The department of agriculture has indicated that the grain allocation for Germany for January will at least equal, and may exceed, the December tonnage."

"We recognize the tremendous task which faces General Clay. Food stocks in the American zone are at this moment at warehouse bottom, while the British zone is in the far worse position."

## Nelson

Miss Mary Lillian Ripingill, registered nurse, who is confined at the Illinois Research hospital in Chicago, is getting along as well as can be expected; her brother, John Ripingill, will go to Chicago Saturday to visit with her. Mrs. Nell King, Oak Ridge, Tenn., and Mrs. Ella King and Frank King, Jr., of Chicago, are spending a few days at the home of Mr. and Mrs. Loren Jeter of Nelson.

Mr. and Mrs. John Gale attended the wrestling matches which were held Thursday evening at the Stealing Coliseum.

On Saturday Mr. and Mrs. Edward Ortgiesen entertained at a 6:30 dinner. Mr. and Mrs. Charles Ortgiesen of Milwaukee, Wis., Miss Esther Barton, David Barton and Miss Kate Ortgiesen of Dixon.

Mrs. Anna Moats who had the misfortune to burn two fingers of her right hand, is getting along splendidly.

Mrs. Frances Stitzel tipped and fell Sunday evening on the cement porch of Stitzel's store. She received a badly bruised left eye and other minor bruises. She is getting along nicely and is able to be out of doors.

Friends in Nelson have received word from Miss Lucille Eastbrook that she and her sisters, Mrs. Gertrude Gillogly formerly of Savanna and Mrs. Evelyn Eastbrook and daughter Miss Jayne of Chicago, have arrived in Long Beach, Calif.

## Open Little Big Inch Pipe Line

Tom Evans, left, of the Tennessee Gas and Transmission Co., and P. M. Hawkins turn the valve that sends gas pouring into the Little Big Inch pipe line near Natchitoches, La., at the rate of 50,000,000 cubic feet daily. First gas delivery to the Ohio Fuel Gas Co. is expected within a week.

Beach Calif. Miss Lucille is a former resident of Milledgeville and for a number of years resided in Rockford until the death of her parents. Mr. and Mrs. George Eastbrook. They will make their home in Long Beach.

Hunt in Wisconsin  
Mr. and Mrs. Elmer D. Collins of Nelson enjoyed a week's hunting trip in northern Wisconsin last week. It was Mrs. Collins' first big game hunting trip in the wild country of northern Wisconsin and while she did not succeed in bagging a buck deer, she got quite a thrill on several occasions while on stand along a deer trail when several does and fawn passed within a few feet of her without even so much as noticing her. Mr. Collins was fortunate in getting a nice four point buck the second day of the season. Collins, who is a taxidermist, plans to mount the head. He has mounted the head of a buck he shot

# FAMOUS DIVISIONS NEED PICKED MEN

Will you measure up?

Out in the Far East—in Korea and Japan—the great Army divisions which fought down the hard road to victory in the Orient are now part of a brilliant peacetime team. Their spectacular success adds new luster to battle flags already bright with war-won honors.

Many of these units are now taking in new men. They accept only the best—rugged, keen young soldiers capable of fitting the roles established by men who preceded them.

If you can measure up to the standards required, it is possible for you to join such outstanding units. A three-year enlistment for duty in the Far East enables you to choose the division with which you'll serve after completing your initial training in the U. S.

While serving your country in these fascinating places, you will be provided excellent living facilities. Far Eastern forces are comfortably garrisoned with fine recreational services conveniently near.

Overseas duty also boosts new Army base pay by 20%—a Private makes \$90 a month, clear of food, clothing, medical and dental expenses. Your nearest U. S. Army Recruiting Officer can furnish all details.

### Volunteer for One of These Famed Fighting Units in the Far East

- 1ST CAVALRY DIVISION—The "Cavalry Troopers," now mechanized in Japan. First U. S. unit to reach Manila and Tokyo. Fought one of the war's wildest battles taking Manila, capturing 1,000,000 Japanese. Received Distinguished Unit Citations for action on Los Negros, Kwajalein and Leyte.
- 4TH INFANTRY DIVISION—The "Red Star Division," now in Korea. First to capture American territory from Japan. Eight Distinguished Unit Citations for action on Attu. Saw bitter fighting on Kwajalein, Leyte and Okinawa.
- 11TH AIRBORNE DIVISION—The "Angels," now in Japan. Awarded ten Distinguished Unit Citations for spectacular fighting in six months on Leyte and Luzon.
- 24TH INFANTRY DIVISION—The "Victory Division," now in Japan. Veterans of heavy fighting in New Guinea, Leyte, Mindoro, Marinduque, Iloilo. Awarded Distinguished Unit Citations for action in capturing Corregidor Fortress.
- 25TH INFANTRY DIVISION—The "Tropic Lightning Division," now in Japan. Saw heroic fighting on Guadalcanal, New Georgia, Vella Lavella and Luzon. Two Distinguished Unit Citations for action on Luzon.

## Hollywood

Hollywood—(AP)—Pull up a chair and we'll have a little Saturday shop talk. First of all, there's a matter raised by a veteran film director who will remain nameless for obvious reasons. He says the wartime screen heroes are due for a fall.

"During the war, the screen turned to actors who were the 'motest type', he told me. 'It's a recognized fact that in wartime, women are overcome by the mother instinct. Since women make up the majority of the film audience, the movies exploited the type of man who appeared to need a woman's care.'"

But now things are going to be different, said he. "With the war over, the movies will go back to the he-man type of rugged hero, and the weaker variety will be on the decline."

Another savant stopped me, expressed his thesis that both the movies and radio are going backwards.

"What's the biggest news in radio this year?" he asked grabbing my lapel. "The fact that Crosby is doing a show by transcription," he answered himself. "That has the industry in an uproar, and it certainly is not progressing."

Mrs. Frances Stitzel and Miss E. D. Stitzel attended the funeral services of Arthur Wareham, which were held Thursday afternoon at the Melvin funeral home in Sterling.

ress. Transcription shows are a step backwards.

"And look at pictures," he demanded. "Look at all the resurges of old pictures playing around is that progress? And what are the studios doing? Remaking 'Little Women,' 'Ah Wilderness,' 'Good News,' 'Seven Keys to Baldpate' and many others with just the title changed. I shook him off, but I couldn't evade his thesis."

## Chiang May Try New Peace Move in China

Nanking, Dec. 9—(AP)—The Chinese government officially announced today that it was considering sending an emissary to Yenan to reopen political negotiations with the Chinese communists.

The government spokesman George Yeh said in his brief announcement that no decision had been made on who might be sent.

Official quarters here flatly denied that it would be a "peace" mission to Yenan. Communist demands for dissolution of the national assembly and restoration of military positions as of last January practically close the door to over-all peace talks at this time it was pointed out.

## Stalin in Good Health; Russia Denies Rumor

London, Dec. 9—(AP)—Describing as "dirty speculation," rumors published here and elsewhere that Prime Minister Stalin was dead or dying, a spokesman for the Russian embassy declared that the Soviet leader "is in the best of health."

Reports about Stalin's health reached the banner headline stage in some London papers over the weekend.

The independent London Observer said Stalin, at 67, had given up control of all but major foreign and home policy because "his health prevents him from carrying out either public functions or detailed administrative work."
